Supporting parents to help their children have a successful start to school
Time to enrol in school

To enrol you will need a Birth Certificate, Immunisation History Statement and proof of address.

Visit your local school

Understanding School Talk???
SDD
Staff Development Day
Children do not attend school on these days

Visit your local school

When visiting your school ask about orientation days, transition to school programs and open days.
### Things to do...

- Visit your local school and fill out an enrolment form
- Find out what transition to school programs or orientation sessions they have—pop the dates into this calendar!

Learning through play

Playing games with dice and counters helps develop numeracy and turn taking skills.

Play simple card games like ‘Snap’, ‘Memory’ or ‘Go Fish’. Children are using hand and finger muscles to hold the cards, as well as taking turns and matching.

Building together with Lego and blocks strengthens the muscles in children’s hands which helps them when learning to write.

Pretend play develops many skills that will help children at school. Skills to help with friendships, communicating with others and using their body.

Encouraging a love of reading

Talking and listening is the foundation of reading so play games with words and rhymes.

It's great to read the same book many times. Talk about the pictures together.

Talking and reading with your child will give them a great start to school!

Ask your child questions about the story.
  “Who did you like best in the story?”
  “What did you like about them?”
  “What do you think might happen next?”

Let your child TELL you the story even if they can’t read the words.

School Holidays
Writing and drawing

Offer different writing and drawing tools. Try writing or drawing with chalk on a path, sticks in the sand or painting with water outside.

Write your child’s name. Talk about the letters in their name.

Understanding School Talk????
KLA’s
Key Learning Areas
The different subject areas taught at school

Playing with dough, pegs, Lego and other building blocks will help to build the muscles in your child’s hands. This will help with writing activities at school.
Practice your child's independency skills e.g. Opening lunchbox containers, drink bottles etc.
Encourage Independence

Has your child used a public toilet? Talk with your child about the symbols on the doors and using only the boys or girls toilets.

Encourage your child to drink water as a healthy choice.

Encourage your child to dress themselves.

Set a regular bedtime routine: toilet, clean teeth, and read a story in bed. Children need plenty of sleep!

Give your child little jobs to do at home such as make their bed, put their clothes away or set the table. Praise them when they complete the task.

Encourage independence for boys and girls.

Understanding School Talk??

AP
Assistant Principal
Visit the local library and borrow picture books about starting school. Have a look at our website for great children’s picture book titles.
Use opportunities to write. Messages, notes, letters etc. Watching adults writing messages shows children that writing is important and is another form of communication.

Understanding School Talk??
Mufti Day
Out of Uniform Day
Children wear ordinary clothes that day.
Relax and enjoy time together prior to your child starting school.

School Holidays
Do you have a uniform yet? Children love to dress up in their uniform. Let them wear their school shoes before they start school so they get used to them. They may need school uniforms, sports uniforms and a school hat too.

Talk about the times and structures of the school day. You would be going into school now. This would be lunch time. It would be time to come home now.

Pack a lunch box with healthy foods. Have picnics outside and encourage your child to open their own lunch box.

Choose a lunchbox and drink bottle that is easy for your child to open!

Understanding School Talk?? ESL English as a Second Language

Remember: Be positive when you talk about school.
### Things to do...

- Check starting dates for my child's school.
- Have camera ready for first day & make sure the battery is charged.

### School Holidays
Ensuring a happy start to school

Talk to your child about their day. Ask questions like...
“Did you go into the playground? What did you do?”

Plan a play date with some friends from school. Invite them to come and play at your house.

Your child is coping with lots of new things. Be prepared—they may become tired and cranky sometimes!

If you have any concerns about your child, make an appointment to talk to the teacher!

Understanding School Talk??
COLA
Covered Outdoor Learning Area
- Check school notes and write upcoming events on your calendar.
Learning is fun!

Children are naturally curious. Encourage their curiosity. It can lead to great discovery and learning!

"Play is the work of Childhood!" Piaget

"Play provides opportunities for children to learn as they discover, create, improvise and imagine." EYLF

Understanding School Talk?? ICT
Information and Communication Technology
Become involved in school life:

Ask the teacher if they need help with small groups

Attend P&C Meetings if you can to find out what is happening at the school

Offer your time to your child’s teacher, there are lots of ways to help!
Supporting your child’s learning

Remember:
Praise your child when they try something new. Taking risks and learning from our mistakes is an important life skill.

You will have the greatest influence on your child’s attitudes towards school and learning. Always remain positive.

Even though your child is at school, play is still a very important way for them to learn and develop. Provide lots of opportunities for them to just PLAY!

**School Holidays**
Helping your child learn to read

Talking and listening is the foundation for reading. Talk often with your child. Play games with the sounds in words. Recite your child’s favourite rhymes.

'Make comments about the story - “I loved the bit where...” “My favourite part was....” Encourage your child to comment - “How did you feel about the story?”

'Pretend reading’ is valuable—encourage your child’s attempts.

Show your child you enjoy reading too!

School Talk??
HSIE
Human Society and Its Environment (Social Studies)
Check in with your child’s teacher to see how they are going socially and emotionally at school. Have a look on the Kids Matter website for helpful information on this important area of your child’s development. Website address is located on the back of this calendar....
Helping your child with numeracy

Division is about sharing. We will share/divide the pizza among 4 people.

Numbers are about 'how much', 'how long' and 'how many'. Use opportunities to talk about more or less; longer or shorter; higher or lower; faster or slower.

Learning about shapes is an important maths skill. Words like straight and curved are about shape!

Grouping and matching are foundational number skills.
