

Welcome...

At Katoomba North Public School we focus on every student's positive self-worth. We optimise each child's potential, ensure success and promote confidence and independence. Students learn and play in a safe, stimulating environment. It's THE place to learn with caring committed teachers and a supportive, highly involved community.

I invite you to visit our school to see how we will nurture and develop your child's love for learning, now and into the future.

Cathy Clark - Principal
