**FREE
SERVICE!**

As a **Little Learner**, your child will explore the world of 'BIG' school. This will prepare and empower them to take charge of their own learning and help them to make a successful transition between home and school. As educators we know and value your role as your child's first educator. Please feel free to call Michele Van Vliet or Sarah Siitia on 9625 9437 to register your interest or to ask any questions.

We look forward to meeting you and your **Little Learner.**
